

COMPANY PROFILE

Company Name:

JAY'S TRANSPORTATION GROUP LTD.

Head Office Address:

Box 4560, 100 McDonald Street
Regina SK S4P 3Y3

Years in Business:

57 years

Brief Overview:

Jay's Moving & Storage started in 1964 as a small family-owned trucking business. Jay's reputation for quality service has helped us grow to 10 branches with a staff of over 450 and a fleet of over 700 pieces of equipment. Jay's was purchased by The Mullen Group in 2013 and our name was changed to Jay's Transportation Group Ltd. to better represent our business. Our top priority is safety and customer satisfaction.

Freight Division:

The Freight Division provides timely and dependable general merchandise freight service to over 550 points throughout Saskatchewan and beyond. We can handle your goods from courier packages to truckloads and everything in between.

Moving Division:

The Moving Division became affiliated with Atlas Van Lines in 1970. We help customers move nationally and internationally and also offer local moving, packing and unpacking, storage options, office moving and also commercial delivery services through warehousing and distribution.

Safety:

We endorse a disciplined approach to safety performance. The health and safety of our employees shall not be compromised.

See Attached.

Background Checks:

As an Atlas Van Lines agent the Moving Division fully participates in a "No Stranger in Your Home" Program. Background checks are done on moving staff to give customers peace of mind.

Drug & Alcohol Testing:

Jay's uses Driver Check for drug and alcohol testing.

Insurance & WCB:

Jay's pays premiums to Saskatchewan Worker's Compensation Board and is able to supply Clearance Certificates and Letters of Good Standing.

Carrier Profile:

Our "Carrier Profile" includes a history of convictions, inspections, and collisions provided to Saskatchewan transportation by law enforcement and other government agencies. We are rated as "Satisfactory Unaudited".
